## Decision

Dispute Codes: MT, CNR, FF

## Introduction

This matter dealt with an application by the Tenant for an order extending to time to apply to cancel a 10 Day Notice to End Tenancy for Cause. If successful on that application, the Tenant also applied to cancel the Notice and to recover her filing fee for this proceeding.

Neither Party attended the hearing and there is no evidence as to whether the Tenant served the Landlord with a copy of the Notice of Hearing dated December 24, 2008.

## Conclusion

The Tenant's application is dismissed without leave to re-apply
