

REVIEW DECISION

This is an application for review filed on March 10, 2009 by the landlord for the review of a Decision and an Order dated February 11, 2009 and received according to the Applicant for Review on February 18, 2009. The applicants applied for an extension of time to file the application for review. The *Act* specifically provides a 2 day time frame in which a party can apply for review with respect to an application for an order of possession. In this instance, the applicants applied 21 days after having received the decision.

The applicants gave two reasons for their inability to file for review within the required time frame. One of the applicants said that he was sick for over a week. I find no evidence to support the applicant's claim in this regard. I also find no evidence to explain why the other applicant could not have filed for review. The applicants also stated that "they not give me new address" but gave no further explanation for the above. I do not find this statement to be a reasonable explanation. Based on the above, I find that the applicants have failed to prove that exceptional circumstances prevented them from filing for review and accordingly dismiss the application. I have not considered the application on its merits.

For the above reasons, I dismiss the application for leave for review. The original decision dated February 11, 2009 is confirmed.
