Residential Tenancy Branch  
Ministry of Housing and Social Development

## **DECISION**

Dispute Codes      CNC, CNR

This was a request to have both a 10 day Notice to End Tenancy and a one month Notice to End Tenancy cancelled and allow the tenancy to continue, however by the date of the hearing the applicants had already vacated the rental unit, and therefore no such order is needed.

This decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under Section 9.1(1) of the *Residential Tenancy Act*.

Dated: September 20, 2010.
