DECISION

Dispute Codes MNR MNDC FF

Introduction

This hearing was convened as a result of the landlord's application for dispute resolution under the *Residential Tenancy Act* (the "Act"). The landlord applied for a monetary order for unpaid rent or utilities, for money owed or compensation for damage or loss under the *Act*, regulation or tenancy agreement, and to recover the filing fee.

The landlord and an agent for the tenant (the "agent") attended the hearing. The parties gave affirmed testimony, were provided the opportunity to present their evidence orally and in documentary form prior to the hearing, and make submissions to me.

Settlement Agreement

During the hearing, the parties agreed to settle all matters related to the tenancy, on the following conditions:

1. The landlord withdraws his application in full and the parties agree that neither party owes the other party any money.
2. The parties agree that this mutually settled agreement represents a full and final settlement of all matters related to this tenancy.

This settlement agreement was reached in accordance with section 63 of the *Residential Tenancy Act*.

Conclusion

I order the parties to comply with the terms of their settled agreement described above.

For the benefit of both parties, I am including a copy of *A Guide for Landlords and Tenants in British Columbia* with my Decision.

This decision is final and binding on the parties, unless otherwise provided under the Act, and is made on authority delegated to me by the Director of the Residential Tenancy Branch under Section 9.1(1) of the *Residential Tenancy Act*.
