DECISION

Dispute Codes: CNC; MNDC; RR; O

Introduction and Analysis

This Hearing was scheduled to hear the Tenant's application to cancel a Notice to End Tenancy for Cause; for compensation for damage or loss under the Act, regulation or tenancy agreement; a rent reduction; and "other" orders.

This application was scheduled to be heard via teleconference on August 27, 2014, at 11:00 a.m. By 11:10 a.m., neither party had signed into the teleconference.

The Residential Tenancy Branch Rules of Procedure provides that the hearing must commence at the scheduled time unless otherwise decided by the arbitrator. The arbitrator may conduct the hearing in the absence of a party and may make a decision or dismiss the application, with or without leave to re-apply.

As neither party attended the conference, I dismiss the Tenant's application with leave to re-apply. This does not extend any existing time limits that may apply.

Conclusion

The Tenant's application is dismissed **with leave to re-apply**. This does not extend any existing time limits that may apply.

This decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under Section 9.1(1) of the *Residential Tenancy Act*.
