DECISION

Dispute Codes OPUM-DR, FFL

Introduction

This matter proceeded by way of an *ex parte* Direct Request Proceeding, pursuant to section 55(4) of the *Residential Tenancy Act* (the *Act*), and dealt with an Application for Dispute Resolution by the landlord for an Order of Possession based on unpaid rent and a Monetary Order.

The landlord submitted a signed Proof of Service of the Notice of Direct Request Proceeding which declares that on June 24, 2019, the landlord sent the tenant the Notice of Direct Request Proceeding by registered mail to the rental unit. The landlord provided a copy of the Canada Post Customer Receipt containing the Tracking Number to confirm this mailing. Based on the written submissions of the landlord and in accordance with sections 89 and 90 of the *Act*, I find that the tenant is deemed to have been served with the Direct Request Proceeding documents on June 29, 2019, the fifth day after their registered mailing.

Issue(s) to be Decided

Is the landlord entitled to an Order of Possession for unpaid rent pursuant to sections 46 and 55 of the *Act*?

Is the landlord entitled to monetary compensation for unpaid rent pursuant to section 67 of the *Act*?

Is the landlord entitled to recover the filing fee for this application pursuant to section 72 of the *Act*?

Background and Evidence

I have reviewed all written submissions and evidence before me; however, only the evidence and submissions relevant to the issues and findings in this matter are described in this decision.

The landlord submitted the following relevant evidentiary material:

- A copy of a residential tenancy agreement which was signed by a landlord who is not the applicant and the tenant on November 27, 2016, indicating a monthly rent of \$1,400.00, due on the first day of each month for a tenancy commencing on December 1, 2016;
- A copy of a document showing the transfer of management responsibilities from the former landlord, who is named on the residential tenancy agreement, to the current landlord who is applying for dispute resolution;
- A copy of a Notice of Rent Increase form showing the rent being increased from \$1,400.00 to the current monthly rent amount of \$1,435.00;
- A copy of four utilities bills from Fortis BC and one utility bill from BC Hydro for the rental unit;
- A copy of a demand letter from the landlord to the tenant, dated May 9, 2019, requesting payment of utilities in the amount of \$282.84;
- A copy of a 10 Day Notice to End Tenancy for Unpaid Rent (the 10 Day Notice) dated June 5, 2019, for \$1,435.00 in unpaid rent and \$306.14 in unpaid utilities. The 10 Day Notice provides that the tenant had five days from the date of service to pay the rent in full or apply for Dispute Resolution or the tenancy would end on the stated effective vacancy date of June 16, 2019;
- A copy of a witnessed Proof of Service Notice to End Tenancy form which indicates that the 10 Day Notice was posted to the tenant's door at 4:00 pm on June 5, 2019; and
- A Direct Request Worksheet showing the rent owing and paid during the relevant portion of this tenancy.

Analysis

I have reviewed all documentary evidence and in accordance with sections 88 and 90 of the *Act*, I find that the tenant was deemed served with the 10 Day Notice on June 8, 2019, three days after its posting.

I find that the tenant was obligated to pay the monthly rent in the amount of \$1,435.00, as per the tenancy agreement and the Notice of Rent Increase.

I accept the evidence before me that the tenant has failed to pay the rent owed in full within the five days granted under section 46(4) of the *Act* and did not dispute the 10 Day Notice within that five day period.

Based on the foregoing, I find that the tenant is conclusively presumed under sections 46(5) and 53(2) of the *Act* to have accepted that the tenancy ended on the corrected effective date of the 10 Day Notice, June 18, 2019.

Section 46 (6) of the *Act* allows the landlord to treat the unpaid utilities as unpaid rent, 30 days after the tenant is given a written demand for them. I find that the date of the demand letter (May 9, 2019) is less than 30 days from the time that the 10 Day Notice was issued to the tenant (June 5, 2019) and that not enough time has passed to allow the landlord to treat the unpaid utilities as unpaid rent.

For this reason the monetary portion of the landlord's application concerning unpaid utilities is dismissed, with leave to reapply.

Therefore, I find that the landlord is entitled to an Order of Possession and a monetary award in the amount of \$1,435.00, the amount claimed by the landlord, for unpaid rent owing for June 2019 as of June 18, 2019.

As the landlord was partially successful in this application, I find that the landlord is entitled to recover the \$100.00 filing fee paid for this application.

Conclusion

I grant an Order of Possession to the landlord effective **two days after service of this Order** on the tenant. Should the tenant fail to comply with this Order, this Order may be filed and enforced as an Order of the Supreme Court of British Columbia.

Pursuant to sections 67 and 72 of the *Act*, I grant the landlord a Monetary Order in the amount of \$1,535.00 for rent owed for June 2019 and for the recovery of the filing fee for this application. The landlord is provided with this Order in the above terms and the tenant must be served with **this Order** as soon as possible. Should the tenant fail to comply with this Order, this Order may be filed in the Small Claims Division of the Provincial Court and enforced as an Order of that Court.

I dismiss the landlord's application for a Monetary Order for unpaid utilities with leave to reapply.

This decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under Section 9.1(1) of the *Residential Tenancy Act*.
