DECISION

Dispute Codes CNR

Introduction, Preliminary and Procedural Matters-

This telephone conference call hearing was convened as the result of the tenant's application for dispute resolution seeking remedy under the Residential Tenancy Act (Act) for:

- an order cancelling the 10 Day Notice to End Tenancy for Unpaid Rent or Utilities (Notice) issued by the landlord.

The hearing began at 11:00 a.m. Pacific Time on Friday, October 1, 2021, as scheduled and the telephone system remained open and was monitored for 10 minutes. During this time, the tenant did not call into the hearing; however, the landlord's agents were present and ready to proceed with the hearing.

During the hearing, the agents said that the tenant was fully paid up in their monthly rent obligation and the landlord did not require an order of possession of the rental unit or monetary order for unpaid monthly rent. The agent said that all matters had been resolved.

Rules 7.3 and 7.4 of the Rules of Procedure provides as follows:

7.3 Consequences of not attending the hearing

If a party or their agent fails to attend the hearing, the arbitrator may conduct the dispute resolution hearing in the absence of that party, or dismiss the application, with or without leave to re-apply.

7.4 Evidence must be presented

Evidence must be presented by the party who submitted it, or by the party's agent.

If a party or their agent does not attend the hearing to present evidence, any written submissions supplied may or may not be considered.

Accordingly, **in the absence of any evidence or submissions from the tenant, I order the application dismissed.**

This decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under Section 9.1(1) of the *Residential Tenancy Act*.
