DECISION

Dispute Codes MNSDS-DR, FFT

Introduction

This matter proceeded by way of an *ex parte* Direct Request Proceeding, pursuant to section 38.1 of the *Residential Tenancy Act* (the *Act*), and dealt with an Application for Dispute Resolution by the tenant to obtain monetary compensation for the return of the security deposit (the deposit) and to recover the filing fee paid for the application.

This decision is written based on the Application for Dispute Resolution, evidence, and submissions provided by the tenant on January 1, 2022.

The tenant submitted a copy of two Canada Post Customer Receipts containing tracking numbers to confirm packages were sent to each landlord by registered mail on January 15, 2022.

Issue(s) to be Decided

Is the tenant entitled to monetary compensation for the return of a security deposit pursuant to sections 38 and 67 of the *Act*?

Is the tenant entitled to recover the filing fee for this application pursuant to section 72 of the *Act*?

Analysis

In an *ex parte* Direct Request Proceeding, the onus is on the tenant to ensure that all submitted evidentiary material is in accordance with the prescribed criteria and that such evidentiary material does not lend itself to ambiguity or give rise to issues that may need further clarification beyond the purview of a Direct Request Proceeding. If the tenant cannot establish that all documents meet the standard necessary to proceed via the Direct Request Proceeding, the application may be found to have deficiencies that necessitate a participatory hearing, or, in the alternative, the application may be dismissed.

In this type of matter, the tenant must prove they served the landlords with the Notice of Dispute Resolution Proceeding - Direct Request and all documents in support of the

application as per section 89 of the Act. Policy Guideline #49 on Tenant's Direct Request provides the following requirements:

"Once the package is served, the tenant must complete and submit a Proof of Service Tenant's Notice of Direct Request Proceeding (Form RTB-50) which is provided by the Branch with the Notice of Dispute Resolution Proceeding"

I note that the tenant submitted a copy of two Canada Post Customer Receipts containing tracking numbers to confirm packages were sent to the landlords on January 15, 2022. However, I find the tenant has not provided a copy of the Proof of Service Tenant's Notice of Direct Request Proceeding forms which are a requirement of the Direct Request process as detailed in Policy Guideline #49.

I find the tenant has not submitted the documents required for a Direct Request. For this reason, the tenant's application for a Monetary Order for the return of the security deposit is dismissed with leave to reapply.

As the tenant was not successful in this application, I find that the tenant is not entitled to recover the \$100.00 filing fee paid for this application.

Conclusion

I dismiss the tenant's application for a Monetary Order for the return of the security deposit with leave to reapply.

I dismiss the tenant's application to recover the filing fee paid for this application without leave to reapply.

This decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under Section 9.1(1) of the *Residential Tenancy Act*.
