## DECISION

Dispute Codes      CNL OLC FF

### Introduction

This hearing was convened as a result of the Tenants' Application for Dispute Resolution. A hearing by telephone conference was held on May 19, 2023. The Tenants applied for multiple remedies, pursuant to the *Residential Tenancy Act* (the *Act*).

Both parties attended the hearing and provided affirmed testimony. Both parties confirmed that the tenancy is over. As such, I find the issues on this application are moot, and I dismiss them in full, without leave. However, if the Tenants wish to seek monetary compensation, they must apply for this separately.

### Conclusion

I dismiss the Tenants' application without leave to reapply.

This decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under Section 9.1(1) of the *Residential Tenancy Act*.
