## DECISION

Dispute Codes      Tenant: CNC MT  
                                 Landlord: OPC

### Introduction

This hearing was convened as a result of a cross Application for Dispute Resolution. Both parties applied for remedies related to a One Month Notice to End Tenancy for Cause (the “One Month Notice”).

The Landlords and the Tenant both attended the hearing. All parties provided affirmed testimony.

### Settlement Agreement

During the hearing, a mutual agreement was discussed and both parties made an agreement with respect to when and how the tenancy will end. All parties were all in agreement with the tenancy ending as laid out below.

Pursuant to section 63 of the *Act*, the Arbitrator may assist the parties to settle their dispute and if the parties settle their dispute during the dispute resolution proceedings, the settlement may be recorded in the form of a decision or an order.

Given the agreement reached between the parties during the proceedings, I find that the parties have settled their dispute and the following records this settlement as a decision:

- The Tenant will move out of the rental unit by **June 30, 2024, at 1pm.**
- The Tenants are at liberty to move out before this time.
- The 1 Month Notice is cancelled.
- These terms comprise the full and final settlement of all aspects of this dispute for both parties.

The parties confirmed at the end of the hearing that this agreement was made on a voluntary basis and that the parties understood the nature of this full and final settlement of this matter.

Conclusion

In support of the agreement described above, the landlord is granted an order of possession effective June 30, 2024, at 1pm and after service on the tenant. The Landlord may serve and enforce this Order if the Tenant fails to move out as specified above.

This decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under Section 9.1(1) of the *Residential Tenancy Act*.
